**Position Title:** Academic Enrichment Specialist for grades PK-6

**Reports to:** Kate Brantley, PK-3 Division Head

**Schedule:** 9:30-5:30, Monday-Friday

### **Position Description:**

The Academic Enrichment Specialist would serve 4-5 year olds in pre-K school readiness, along with providing 1:1 or small group support for children in grades K-6 with literacy, math and project based STEAM and Environmental Education.

### **Member Responsibilities:**

The member would also be able to work with our PK-3 Division Head, Student Support advocate, and Equity Director to provide access to all students who may need additional academic and community support during remote learning. In the event of remote learning, this position would be a critical resource in providing support to children and families who can not equitably access the remote learning curriculum and would need the support of individualized instruction and 1:1 assistance to maintain or achieve proficiency in academic and social/emotional benchmarks.

In the event of in person learning, the Academic Enrichment Specialist will work directly with our PK-3 Division Head, Student Support advocate, and Equity Director to identify specific students who may need additional academic support, and then build relationships with them throughout the school year to maintain proficiency in academic and social/emotional benchmarks.

The member would also be able to work with our Love In Action team to provide essential items to

community members in need throughout the year. This team partners with Manna Food Bank to provide a food pantry and clothing/shoes/books/toys/blankets for Rainbow community members.

### **Minimal Qualifications**

High School Diploma or GED, college degree preferred

- Ability to pass a background check
- US Citizen or Permanent Residence

Desired skills include knowledge and experience working with young children in either a school or community setting, as well as strong written and verbal communication skills and ability to work both independently and within a team environment.
