Description
The Learning Centers strengthen the connection between student, school, parent
and community, which is a key element in helping an at-risk child succed in school
and prepare for life. We had a 100% promotion rate for the 40+ elementary school-
students.
(4)Family Resource Centers
Family Resource Centers provide support and improve the financial stability of
families by providing emergency assistance for rent, utilities, and medical
expenses and ongoing case management, parenting classes and holiday assistance
to families served through agency programs and who reside in the greater Emma
Community. On average, the Family Resource Centers serve 400 individuals each
year.
(5) Public Policy Advocacy
In addition to direct service, Children First/Communities In Schools engages in
Public Policy Advocacy campaigns to build opportunity for children and families.
Through education and outreach, Children First/CIS builds a community advocacy
voice for our vulnerable children, youth and their families. When our leaders
create policies that are good for children, it leads to better health, education and
safety for our whole community. In order to address emerging needs, our public
policy advocacy work is designed to be dynamic and flexible. The agenda, created
by our Success Equation Team, includes campaigns that we believe can impact
priority issues. Children First/CIS Advocacy also partners with statewide
organizations/coalitions to move shared interests forward and increase our
effectiveness and reach. We advocate for 100% of Buncombe County's children.
